

Doro 6880

External display with Caller ID and notifications

With the Doro 6880 seniors can enjoy a great-looking flip phone that's easy to use and has an external display for Caller ID and notifications. Calling, texting and taking pictures are all made easier thanks to the widely separated, high contrast keys and a large 2.8" screen. Other features include clearer conversations with HD voice, soft touch coating for a more secure grip, HAC (Hearing Aid Compatibility) and convenient shortcut keys to both camera and messages. There is also an assistance button that can be used to alert up to five trusted friends or relatives if help is needed.

- **See who's calling on the external display**
- **Hear more thanks to loud and clear sound**
- **Feel more secure with assistance button**
